

Privacy Statement DesignMilanV places great importance on protecting your privacy, and (personal) data is carefully processed and secured by DesignMilanV. In this privacy statement, I will explain the collection and use of personal data and the purposes behind it.

Processing of Personal Data DesignMilanV processes personal data because you use DesignMilanV's services and/or provide these data yourself. The privacy of visitors to the website is respected by DesignMilanV and any third parties involved. The information and personal data are treated confidentially, even by third parties responsible for the security of your data storage, and are not used for purposes other than those mentioned below.

If you make a request for information/registration via the contact form, I will ask for your first name, last name, and additional details. I use your data solely for processing your request. You have the right at all times to request and, if desired, modify or have DesignMilanV delete the information it has about you. You can do this by sending a detailed request to [milanverduin2005@gmail.com](mailto:milanverduin2005@gmail.com). To ensure that the request for access is made by you, I ask you to include a copy of your identity document with the request. In this copy, please black out the photo, MRZ (machine-readable zone, the strip with numbers at the bottom of the passport), passport number, and Citizen Service Number (BSN) to protect your privacy. DesignMilanV will respond to your request as soon as possible, but at least within four weeks.

Furthermore, DesignMilanV may be interested in data that provides insights into the use of the website, such as the number of visitors in a specific period. To achieve this, DesignMilanV may register your IP address and domain name. The collected information may be used by DesignMilanV to improve its services and marketing activities. The information obtained through this website will not be rented or sold to third parties.

DesignMilanV uses cookies when offering electronic services. A cookie is a simple small file that is sent along with pages of this website and stored by your browser on your computer's hard drive. DesignMilanV uses cookies to remember your settings and preferences. You can disable these cookies through your browser; the method varies by browser, so consult the browser's help function if needed. You can also set your browser to completely refuse to receive cookies, but this may limit your user experience on the website.

Cookies from the American company Google are also placed via the website as part of the "Analytics" service. DesignMilanV uses this service to track and receive reports on how visitors use the website. Google may provide this information to third parties if legally required or if these third parties process the information on behalf of Google. DesignMilanV has no control over this.

Use of Personal Data DesignMilanV collects and uses your personal data to manage the website and provide the services requested by you. DesignMilanV also uses your personal data to keep you informed about services available from DesignMilanV.

Transfer to Third Parties DesignMilanV does not sell, rent, or lease customer lists to third parties. DesignMilanV will never disclose your personal data without notice unless required by law or if DesignMilanV believes in good faith that such action is necessary to:

- Comply with a legal request or legal process;
- Protect and defend the rights or property of DesignMilanV; and
- Act under urgent circumstances to protect the personal safety of users of DesignMilanV or the public.

**Retention of Personal Data** The guiding principle for retaining personal data is that all data are not kept longer than necessary. DesignMilanV will not retain personal data longer than strictly necessary to achieve the purposes for which the data are collected. An exception is made for data that DesignMilanV is obligated to retain longer due to the law.

**Security of Personal Data** DesignMilanV ensures appropriate organizational, technical, and physical security of your personal data. DesignMilanV securely stores the personal data you provide in a controlled, secure environment protected against unauthorized access, use, or disclosure.

**Changes to the Privacy Statement** This Privacy Statement may be amended, and DesignMilanV will periodically update it. I recommend checking this statement periodically to stay informed about how DesignMilanV protects your information.

**Contact Information** DesignMilanV welcomes your comments regarding this privacy statement. If you believe that DesignMilanV has not acted in accordance with this statement, you can contact DesignMilanV via [milanverduin2005@gmail.com](mailto:milanverduin2005@gmail.com) .
